Quote of the Day

"No question, the fighting is tough. No question, the enemy is violent and mean. But the enemy doesn't stand for anything. They have no message of hope. They have no positive philosophy. All they can do is kill and hope that the government splits up, or that the American people lose their will. And I keep reminding the American people that the stakes are worth it. It is worth it to help Iraq succeed. It is worth it to have a democracy in the Middle East. It is worth it to show other reformers and people who want to live in a free society what is possible."

-- President George W. Bush (6/12/06)
